

# Abergavenny Orchestral Society

Welcome to Abergavenny Orchestral Society, which plays as Abergavenny Symphony Orchestra. There is no audition but you are invited to play in a few rehearsals to see if you enjoy playing with the orchestra, and that the MD is happy for you to join.

A subscription of £90 per year (£10 for students, £150 for couples) is payable (reduced for those joining partway through the year) on which we can claim Gift Aid if you are a UK taxpayer. Please ask for a gift aid form. This subscription helps to cover the cost of hiring the music and the rehearsal venue. Subscriptions can be reduced or waived in the event of financial hardship. The society will not exclude anyone just because they can't afford it. Please speak to the chairman, secretary or treasurer about this.

Please give your details on the tear off slip below to the membership secretary, Rohan Lewis. This information is held electronically so that it can be accessed by relevant people on the AOS committee. It is kept securely and confidentially, and is not available to the public, or to the orchestra at large, and will not be passed on to any other organization.

We will use the contact information to advise members of matters relating to the Society, and occasionally to publicize events offered by other musical organizations. For safety reasons we are also collecting emergency contact details and ask you to tell us about any medical condition which you would wish to be passed on to emergency medical staff.

**If you are under 18 we also need to know your date of birth, and for safeguarding reasons the contact details should be for your parent/guardian.**
