

Abergavenny Orchestral Society

Welcome to Abergavenny Orchestral Society, which performs as Abergavenny Symphony Orchestra.

An annual subscription is payable to help cover the cost of hiring the music and the rehearsal venue, which can be paid online or by cheque to the treasurer. We can claim Gift Aid if you are a UK taxpayer so please ask for a gift aid form. Subscriptions can be reduced or waived in the event of financial hardship and the society will not exclude anyone just because they can't afford it. Please speak to the chairman, secretary or treasurer about this.

We collect contact details from all members so that we can keep you informed about the day-to-day running of the orchestra using our members' mailing list. These details are held securely in our online database and are available only to orchestra committee members.

We will never share your details with any other organisation. You can find out more about data protection in our online privacy statement at abergavennysymph.org.uk/privacy

Please give your details on the tear off slip below to the membership secretary, Rohan Lewis
